Interview Summary

On 9 September 2004, an office interview was conducted to discuss the present patent application no. 09/617,140 with the participants being the Applicant's representative attorney S. S. Sahota (reg. no. 47,051), and Examiner Christopher S. McCarthy and Supervisory Examiner Robert Beausoliel. Claims 4-7, 9-15, 19-21 and 24 were discussed. Future claim language was discussed to place the application in better condition for allowance and addition to the prior allowance of claims 9-15.

If there are any questions, the examiner is asked to contact the applicant's attorney.

No fee is incurred by this Statement.

Respectfully submitted,
